I Know You Rider (4/25/98 New Orleans)
Wake Up (5/13/98 Baton Rouge)
Amazin Grace w/Willie Sexton (11/5/98 Auburn)

This CD set represents my attempt to bring together a 'greatest hits' compilation of the String Cheese Incident, from a variety of soundboard recordings from 1997 and 1998. I have tried to include memorable or unique versions of these particular songs, but by this is not intended to represent my opinion of the best versions ever played.
